## **ACCOMMODATION**

You live in a double room (unless your programe foresees a single room, please ask your promoter\*) together with other course participants in a shared apartment for the duration of your stay. Apartments have from 1 to 5 rooms all with a common kitchen, wireless Internet access, laundry facility access and cleaning service every 2 weeks. We would nevertheless ask you to accept the responsibility for keeping your own room tidy, clearing away breakfast things and washing up your dishes, pots and pans. It should be possible to organize these daily tasks in a group without any great difficulties.

The fully-equipped kitchen enables you to cook together and enjoy swapping experiences. This "living together" reflects our concept of learning by communicating and also provides you with the opportunity of organizing cultural activities, theatre and cinema visits with fellow students. Living together also means that you need to show consideration for others while staying in the flat. We think that it goes without saying that you also use and leave the common facilities (kitchen, bath, WC) as you would wish to find them.

## **WORK EXPERIENCE CONTACT**

Your work experience contacts are Mr. Gabriel Peñuela and Ms. Francesca Binetti, phone Mobile phone +43 (0) 664 218 16 10/11. After arrival you should contact them in order to discuss all information about your workplacement.
